NTBOA is proud to partner with [Texas Basketball Championship](#), to host this year's NTBOA camp. Many of you have officiated this tournament previously. This is a high school team tournament which consists of schools we cover throughout the season. No club team will be participating. It is a Varsity/JV boys & girls showcase event.

The camp fee is \$99.00 for full campers. This year we are offering an observation camper opportunity to participate and learn 3-man mechanics for \$35.00. Observation campers will be assigned a coach to guide them through the camp experience. The registration deadline is Friday, June 7th. Scholarship opportunities are available, contact Jim Johnson for more information. Click this link, [NTBOA Camp Registration](#), to register and pay the camp fee via PayPal or debit/credit card.

For more information, please text with your name, or call Jim Johnson at (469) 667-8415. For registration payment questions please email Corey Fletcher at corey.fletcher@ntboa.org. **If participating in camp, do not schedule yourself for other games that weekend.**
